Dear Mrs. Spears and Friends:

Please allow me to congratulate each of you on your first Installation Program Ceremony. Your participation in the Jobs for Mississippi Graduates program is one of the first steps to becoming a productive citizen and I am sure you are each on your way to success.

Mrs. Spears, I would also like to commend you for your dedication to these students and the impact you have had on their lives. They think very highly of you and have used your hard work and commitment as an example in their lives. Thank you for your contributions to education in Mississippi. You are truly an inspiration.

I encourage all of you to set your goals high and to strive for excellence in your endeavors. Through the tireless dedication of educators, such as Mrs. Spears, and the commitment of young leaders like each of you, we will continue to make Mississippi America's State of Promise.

Very truly yours,

RONNIE MUSGROVE
